

# Happy Spring!

2009-2010

April 5, 2010

## From the Principal

Can you believe this weather? It is really unpredictable so we will take the beautiful days as we get them. Please apply sunscreen on your children before sending them to school. On nice sunny days they do spend a lot of time on the playground.

We hope you all enjoyed the holiday weekend with your families.

I want to extend a huge thank you to Leslie Del Sesto for organizing another successful auction. We cleared \$12,500!

We have already had contractors over to give us quotes on the siding and windows. Hopefully they will get done this spring.

Congratulations to the Bluebird class who had 83% attendance to the auction and the Firefly class who had 79% attendance.

The Bluebird class won an icecream party for their class and a gift card to Water Street Book Store, and the Fireflies won an ice cream party.

### WIC DRIVE

We are having our annual clothing drive for children newborns through age 5. New or gently used clothing can dropped off here at the school until April 23rd.

## Out of the Mouths of Babes

One of the Owls told her teacher she was going to the “Arts and Crabs” store.

My granddaughter was at my house after she learned about the violin with Mr. Lassonde. She put the bowl of her spoon on her chin and told me it was a “chin rest for a violin.”

At circle time, Ms. A read the book “Where’s That Insect?” She asked what the other name was for a firefly. A girl answered, “A light bulb bug!”

Mrs. Anderson was having a conversation with her class about what mommies do. One child said, “Mommy’s tell us not to do stuff!”
