

Happy Easter!

2008-09

April 6, 2009

From the Principal

I would like to give out a huge thank you to Leslie Del Sesto and her auction committee for a job well done. They raised a large amount of money for the school during a time where money is tight for everyone.

I also want to thank the Parents' Committee (especially Noreen Hall) for organizing a wonderful Staff Appreciation event. Thank you to all of the parents who contributed food (it was delicious) items and time. We have a plastic tray with a compass star left from the luncheon. Please let us know if it is yours.

Thank you to the Evangelista family for donating a microwave to the school.

It is a great time saver with so many staff members needing to heat up their lunch in a short period of time.

SAU #16 is not having the days missed by the electrical storm waived by the state. We will make up our days as described in last month's newsletter.

The performance for the Friday Babes on Stage class will be Friday, April 24th at 12:00.

Out of the Mouths of Babes

A little boy told me, "Every day I wake up on the wrong side of the bed and I am so grouchy it's ridiculous!"

A girl told her teacher "Shelly's having babies." "Who's Shelly?" she asked. "Me and Mom's dog." "What kind of dog is it?" "A black lamb!" she replied.

Mrs. Styles asked a boy if he was staying for *late day pick up*. He told her, "no, my mom says I can't stay and play with your today."

A girl announced, "I had salami pox. They're like chicken pox."

"A boy was near the edge of the pirate ship on the playground. His friend went to tell the teacher that he was going to jump off the "cruise ship."

Mrs. Daigle was standing on "the yellow line" with a boy waiting to get picked up. He looked down at the line and saw that it was cracked and asked how it got *ripped*.

We are having our annual clothing drive for children newborns through age 5. New or gently used clothing can be dropped off here at the school until April 22nd. They are also in need of two cribs and a convertible carseat (from rear to front facing)

Summer Camp

We still have openings in sessions 1 & 3 for summer camp. Session #1 is from June 23-July 2 and Session #3 runs July 21-30. Both sessions will be run by Chris Gleason and Karen McQueen. In session #1 the children will be doing a variety of creations using popsicle sticks as well as making their own popsicles. In session #3 they will be doing arts projects using a variety of art medium and recyclables (making a birdhouse out of a milk carton.)

If you would like to sign up for either session please call the school.

The final tuition payments (for most) and final payments for Babes on Stage and Cooking class were due April 1st.
