

# **EXTRA CURRICULAR COOKING CLASS**

## **2010-2011**

Open to three-day, (with the exception of older threes) four day, and five-day students.

Sue McColley will be teaching a cooking class on Thursday afternoons from 1:00-2:30. Children should be dropped off between 12:45 and 1:00 during the afternoon carpool. This class will be broken up into two sessions. Session #1 will run for 12 weeks Sept-Dec and Session #2 will run for 15 weeks Jan-May. The cost will be \$18 per class (including materials fee), for a total of either \$216 or \$270

We are limiting each class to 8 students to ensure the involvement of all the children each week.

This will involve a story and cooking activity. Each child will be able to participate in chopping, grating, mixing, measuring, etc. The food will be prepared and cooked each week. If there is not enough time to eat their creation before leaving, they will each bring some home.
