

***NEW EXTRA CURRICULAR SCIENCE CLASS
2010-2011***

Open to three-day (with the exception of older threes), four day, and five-day students.

Sue McColley will be teaching this science class on Tuesday afternoons from 1:00-2:30. Children should be dropped off between 12:45 and 1:00 during the afternoon carpool. This class will be offered in two sessions. Session #1 will run for 12 weeks Sept. 13 – Dec. 7 and Session #2 will run for 15 weeks Jan. 11 –April 19. The cost will be \$18 per class (including materials fee), for a total of either \$216 or \$270.

Maximum enrollment for each class will be 12 students each session. Sue will cover such topics as Life Cycle (hatching of chicks), seeds and plants, matter, gravity, seasons, insects and the five senses.

REGISTRATION FOR SCIENCE CLASS

Child's Name _____ Date _____
Address _____
Phone _____

I would like to enroll the above child in the Science Class

___ Sept-Dec (12 weeks) - \$216

Enclosed is my registration fee of \$56. I will pay the remaining balance in two equal installments of \$80 on July 1, 2010 and Oct. 1, 2010.

___ Jan-May (15 weeks) -\$270

Enclosed is my registration fee of \$70. I will pay the remaining balance in two equal installments of \$100 on Jan. 1, 2011 and April 1, 2011.

Due to limited spaces available for these programs you are committing to the full 12 or 15 weeks. Fees are non-refundable.
