February News

Happy Valentines Day!

From the Principal

Congratulations

We have had wonderful weather for playing outside this year. Until recently we had enough snow on the playground with temperatures warm enough to be outside. They have been able to do a lot of sledding this year.

Today when there was no snow the kids were organizing races on the hill with big wheels.

We currently have several children out with the common cold. We are hearing reports of stomach bugs here and there but it is not wide spread

To Julia and Sean Schade for the birth of their son Logan. Big sister Abigail is in the Firefly class.

We are looking for fun and interesting auction items. If you have a skill (photography, plumbing, computer troubleshooting, daycare, flower arranging...anything, donate it and let's have some fun and raise money for the school.

If you have any questions call Leslie at 778-4656 or email her at leidel@comcast.net.
