

Happy New Year!

2007-2008

Jan. 4, 2008

From the Principal

Welcome back! I hope you all had a fun, healthy and restful break with the children. Can you believe it is 2008?

Didn't we just move into the new millennium?

With the holidays behind us we will have a more relaxed atmosphere. The children will engage in winter related themes and hopefully be able to play out in the snow.

Don't forget our new schedule. The morning classes will play out at the end of the day and the afternoon classes will play out at the beginning of the day.

Children who attend extended day should bring a spare pair of mittens because they may go out more than once. If your child comes home wearing their spare clothes please replace them the following

Out of the Mouths of Babes

A girl announced that her fish had died. Another girl said, "Now all of her fish are angel fish!"

At snack time a boy moved over to sit next to his friend Kam. The teacher said, "Kam likes you!" "I know", he said and then turned to his friend and said to him "Hey Kam, do you like you?"

A child brought in a treat to share with his class during the holidays. One child said, "Let's open them now!" and another responded "No we have to wait until he passes out!"

To Mrs. Willis– Jan. 22nd
