

Think Spring!

2009-10

March 05, 2010

From the Principal

I hope that you all survived the storm with minimal damage and headaches!

We still have some repairs and clean up to do here at the school but we are safe and secure.

Our Spring clean-up day will be a busy one!

It is supposed to be beautiful out all week. The children will begin their days outside and will not need snow-pants. Please continue to send boots, hats and mittens.

If we get more snow or the temperatures really drop we will go back to inside.

As you know we are keeping the school locked. We have been having trouble with our buzzer entry system. Please be patient while we diagnose the problem. If you can't be buzzed in we will open the door for you.

We have decided to go with the Face Book page rather than the group. If you use Face Book and haven't become a fan please do so. Posts will come from me (Joan Gearty) rather than Exeter Day School. We will not be posting pictures of children. Adjust your personal settings according to what you want to share with others in the Day School Community. When everyone has switched over I will close the group. I am open to feedback.
