Mark Your Calendar	2

Welcome

There is a definite fall chill in the air, especially first thing in the morning. Please dress your children in layers. As it gets warmer during the day they can take off a layer. Hats and even mittens are nice on the really cool mornings (especially for the early five day class.)

Please **DO NOT GIVE VERBAL MESSAGES TO TEACHERS AT CARPOOL.** Either write them down or call the office. There is too much going on and too much time elapses for the teachers to remember to pass on the messages when carpool is over.

REMINDERS: A \$5.00 late

From the Office

charge is incurred for each 15 minute increment past scheduled dismissal time (11:40, 3:40 or 12:00 for Pre-K).

-Please do not bring dogs onto the playground or school yard when school is in session. This includes our extended care hours. Thank you!

NEW EXTENDED CARE

OPTIONS AVAILABLE

If we have space available your child can attend our extended care program on days that he/she does not have class. The four day students can come on Friday. M,W,F students can come on T and/or Thursday etc.

Please call for availability ahead of time. This can be used on a drop-in basis.

Parents' Center

As many of you have discovered the children love to dig for beads in our sandbox. If your child likes to collect beads please send them with a baggie labeled with their name to collect them. This will help to prevent lost beads and beads going through your washer.

If they bring home a bag with beads please send in another one the next day.

Special Events

Black and Orange Days— Have your child wear black/ and/or orange on Oct 25th and 26th.

Sparkles and Superheroes Day—Nov. 18th.

We notice that girls like to wear sparkly glittery clothes and thought it would be fun to have them all wear them on the same day. We can't leave out the boys so they can wear clothing with superheroes on them. Of course boys can wear glitter or girls can

wear superheroes. Have fun with this!

We will celebrate Halloween on Oct. 27th and 28th. A separate notice will go home about this but children will be wearing costumes on those days. Five-day will dress up on Friday.

Pot Luck Dinner

We will be having our annual Pot Luck Dinner on Nov. 3rd.

This event is for parents only.

Parents are assigned a dessert, salad or main dish according to the first letter of their last name. They will bring in a dish to share with everyone.

The night begins with appetizers in the playroom followed by a slide show of children participating in daily activities at the school. We move upstairs for the meal. This is a great opportunity to mingle with staff

and other Day School parents.

More information will go home in a separate notice.

Exeter Fire Department will visit with a Fire Truck on Oct. 19th

Out of the Mouths of Babes

During dramatic play a child told the teacher "We're playing fire apartment."

A child was hungry and rubbing his belly. A teacher asked if he was ok and he explained, "My belly is tucked in my body and my body is under my brain."

Slipper Days

Nov. 7 & 8 are Slipper Days. Children should bring slippers to school to leave here for boot weather. They will stay in their cubbies until spring. Please bring slippers that are skid-resistant and easy to put on. Try to avoid slippers with large characters that make it difficult to walk or go up and down stairs.

Parents' Committee

Parents' Committee had a room mother's social last week. If you were unable to attend you will receive a letter from them.
